# THE CHARLEROI MAIL

OLUME XXI—NO. 24 CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA. FRIDAY, JULY 2, 1920 TWO CENTS

# ONE YEAR OF PROHIBITION DECREASES NUMBER OF ARRESTS

## Local Police Station Very Quiet Place During Past Few Months

## SAY CONDITIONS WILL IMPROVE

July first was the first anniversary of the abolishmentof liquor as beverages in the United States, and the date has been made the occasion of a number of comparisons between conditions today and what they were prior to the time when J. B. was in his full vigor and glory.

Nation-wide prohibition first came by an act of Congress which provided that beginning with the first day of last July intoxicating liquors should not besold as beverage until the army recruited for the world war had been demobilized. This was not ccomplished until late in the year, but President Wilson never made official announcement of the fact. In the meantime constitutional prohibition became effective on the 16th day of January, 1920, since which time it has been in full force and effect.

However, if reports are all true, it appears that the lid is not clamped down astight as it might be for it is intimated that beverage of more than 2.75 can be obtained with but littledifficulty. Whether this is true or not, it is apparent that prohibition is having some effect, locally and otherwise, as records at the Charleroi police department will show. It is not often that Burgess Woodward has any offenders before him charged with drunkenness, although there have been some such during the past five months. They have not been as numerous as they were a year ago, which is the best evidence that the eighteenth amendment is having amoral influence over this as well as other communities.

Reports from Pittsburg are likewise very impressive, where the arrests for intoxication fell off 75 per cent during the year. It may be several months before the present supply of liquors may be exhausted. But in any event the proponents of prohibition believe that everything promised for the amendment will be to pass.

The Donora Oil and Drilling Company, which brought in a good well on the Thomas farm in the vicinity of Claysville, ast week, is hanging to put down another well at that vicinity. A complete test of No. 1 has been made, and the company expects that it will make a good showing.

The canning season is not an alluring prospect to millions of housewives in the United States, with sugar selling anywhere from 25 to 30 cents a pound.

Mrs. E. C. Niver arrived from Philadelphia at noon today, being called to Charleroi on a business mission. She will return east on Sunday.

### IMPROVEMENT PLANS SENT TO WASHINGTON

Col. H. B. Ferguson, United States Engineer in charge of the Pittsburg district, stated on Wednesday that plans for the reconstruction of the inner chamber, new land lock and two guide walls at Lock and Dam No. 6, Monongahela river, have been sent to Washington. The work will be done in four steps in order that theconstruction will not interfere with traffic through the lock. An approval of $500,000 for the work was recently received from the War Department.

## BENTLEYVILLE TO CELEBRATE FOURTH

The Bentleyville fire department has completed arrangements for its big demonstration which will be held on Monday next. The different committees haveworked diligently and everything is now in shape for the event, the success of which depends on the weather man. The speakers secured for the day are Judges Haldain E. Hughes of Washington, and J. Quay Billingsley of California. The program will begin at 9:30 in the morning and will continue until late in the evening. Athletic events will be the opening features and at 10:30 a ball game will be played between Bentelyville and Alicia. At 1:00 o'clock there will be a band concert and at 1:30 speaking will take place. At 3 o'clock a second base ball game, and at 6:00 o'clock the West Brownsville fire department will give a demonstration with their LaFrance truck and engine. At 7:30 there will be more speaking and at 8:30 boxing matches at Ferro's theatre. In the evening there will also be a band concert and festival, and the entire program will go towards making a very full day.

### DONORA MAN HELD ON MURDER CHARGE

William Tobin, of Donora, was taken to Washington on Tuesday by County Detectives Charles Weiner, after a charge of murder had been sworn out by th detective at the office of Justice Boyd. A coroner's jury on Tuesday viewed the body of Alex Moki, 41 years of age, who was shot through the heart by Tobin while it is alleged, he was in the chicken house owned by Tobin. The inquest will be held sometime this week. It is the belief of Tobin's friends that he will be cleared of thecharge of murder, but it wil be up to the August grand jury to decide. No word has been received from Moki's family believed to be on the way to America from Czecho-Slovakia.

# TEMPORARY CLOSING OF DONORA BRIDGE

A notice has been issued by the County Commissioners, stating that the Donora-Webster bridge will be closed Tuesday morning, July 5, at 9 o'clock fast time, in order to allow the contractor in charge of repairs to lay the concrete approches at both ends of the bridge. The bridge will be closed to all automobile, truck, wagon and other vehicle traffic,but will be open tofoot passengers. This step is taken so that the concrete on the approaches can be laid and allowed to "set" without being injured from passing traffic.

The Donora bridge is amuch traveled structure and this temporary closing will cause some hardship, but the contractor expects to have the work in such shape that it will again be opened within a very short time.

Some people expect the next Constitutional amendment to prohibit tobacco, but others are inclined to think that an amendment directed against low necks and no sleeves may get in ahead.

### LOCAL COUPLE ARE WED IN WIERTON, W. VA.

At Wierton, West Virginia, on Wednesday, June 30, at 7 o'clock p m., Miss Opal Stablein of Charleroi and Fred J. McGill of Monessen were married at the home of the bride's uncle, Frank Culler. The couple was attended by Frank Stablein and Miss Helen Welch. The bride wore a gown of white chiffon over ivory satin and carried a shower bouquet of bridal roses. The bridesmaid wore a pale pink georgette over pink satin and carried a beautiful bouquet of pink roses. The minister, Rev. Mabie of the First Baptist church, met the bridal party in the reception hall and conducted them to a beautiful arch of carnations and roses, where the ceremony was performed. The wedding march was played by a string orchestra of six pieces conducted by Miss Mabie. The Culler home was handsomely decorated for the occasion, the prevailing colors being pink and white. After the ceremony a boutiful wedding supper was served, about fifty guests being seated at the tables. The groom served two years in the United States Army, of which nineteen months were given to service in France. They will reside at the bride's home at 805 Crest avenue, until the twelfth of July, after which they will be at home in Wierton, W. Va., where the groom has accepted a highly responsible position with the Wierton Steel company.

# SUGGEST REPAIRS TO LINCOLN AVE. EXTENSION

Now that the Maple creek road has been closed for improvement, it has been suggested that Charleroi make some badly needed repairs to the brick portion of the road within the borough limits. This stretch of highway is in bad shape, as all and truck auto drivers an testify, and it is pointed out that this would be a good time for the borough to get busy and put the road in better shape for travel. There are a number of deep holes in portions of the paved road, and these could be repaired and the street leveled up, as well as other repairs made which would be of benefit to all those who drive machines, as well as to teamsters. When the State will have completed the work to the borough line the Maple creek road will be in good shape from that point all the way to the end of the concrete road in the neighborhood of Jonestown. For this drivers will be very thankful, but what will they be inclined to say about Charleroi, if it permits the brick stretch of the highway to remain in its present condition?

### SILVER ANNIVERSARY MR. AND MRS. RIVA

Mr. and Mrs. Frank Riva very happily celebrated their silver wedding anniversary at their home, 521 Fallowfield avenue, on Thursday. Twenty-five years ago on the first day of July they were married at Washington, Pa., and from that time on have been residents of Charleroi. Mr. and Mrs. Riva entertained at dinner at 5 o'clock in the evening, having as their special guests John Rogers, Esq., and Dr. J. K. Smith both of whom were present at the marriage ceremony twenty-five years ago, Mr. Rogers being one of the witnesses. In the evening beginning at 7 o'clock a reception was tendered to Mr. and Mrs. Riva, which was attended by many of their Charleroi friends, and by a number of out of town guests. It was almost delightful and pleasant occasion and Mr. and Mrs. Riva were handsomely remembered by their many friends.

### JUNE BREAKS RECORDS FOR NUMBER OF BRIDES

June for 1920 certainly upheld the traditions of being a month of brides as well as roses, for the records of the register of wills shows that a total of 141 marriage licenses were issued at the Washington county court house during the month just closed. This is the largest number ever issued during any June since the office was opened. 35 years ago. In 1910 there were only 46 marriage licenses issued from the Washington office.

# INCREASING COKE PRICES MAY CAUSE FURNACES TO SUSPEND

## New High Point Reached in Selling Figure for This This Commodity

## COAL PRICES REMAIN FIRM

Although lacking any confirmation in the Connellsville district there is said to be a distinct impression prevailing in coke circles that a number of blast furnaces will bank during this month because of the coke situation, both as to price and quantity. Such action if carried out may have a bearing upon the market which is now at its highest point in history, with no indications that the peak has been reached.

An element in the iron and steel industry has steadfastly protested against the rising coke market, but curtailed production due to car shortage has served as its principal prop, and the competitive buying for available tonnage has advanced the price to its high point this week at a range of $17 to $17.50, ovens. The "runaway" market first made its appearance with the "outlaw" railroad strike and as a result of the confusion resuting from the situation the spot market struck a level of $12, ovens, where it remained for some time.

The railroad situation has been a big factor in the coke market, as with at least 5,000 loads at the various yards of the lines serving the region and no motive power to move them, makes a condition hard to cope with.

Recession in the price of coal due to the sudden imposition of embargoes on eastern shipments was short lived. When the embargoes were placed about ten days ago the closing of the outlet for export coal reacted sharply against the price, lowering the level from $10 per ton to $8 and $8.50 within a day's time, as shippers dumped on the market coal on wheels destined eastward. The slack, however, was very rapidly taken up by the domestic demand in all sections of the country and various prices up to 9.50.

In the placement of cars during the week the supply was rated at about 20 per cent of the demand.

### DONORA IS TO HAVE COMMUNITY BUILDING

By an ordinance passed on its first reading by the Donora borough council on Tuesday night last, it will formally transfer to the Donora Community Service a site for a proposed community building in Donner Park. The ordinance will ultimately become a law of the borough, and then it will be up to the D. C. S. to look after the collection of funds for the erection of the structure, which is proposed to be in the way of a memorial for the world war veterans of that community.

## COAL BUSINESS IS ACTIVE IN ELIZABETH

The coal business in and around Elizabeth has assumed much of its old-time proportions, not so much at the larger plants, which have been pretty well worked out, but at what are called wagon mines and country pits. Large numbers of these workings are located in the three townships adjoining Elizabeth, and almost every owner of an acre or part of an acre of coal, whether in the four-foot or six-foot vein is either operating it himself or has leased it to some one else who is taking the coal out on a royalty basis. The fleet of coal trucks operating in the vicinity of Elizabeth, and all of them capable of carrying from three to eight tons, is said to be the largest in Western Pennsylvania. One driver on one of those big machines delivered 80 tons of coal from the mine to the idea as to the amount of production which goes on from day to day in that vicinity. This coal is delivered to both rail and river and is being sold at a good price.

### CHAUTAUQUA WILL PRESENT A COMEDY

At the Chautauqua this evening the well known comedy 'It Pays to Advertise," will be presented. The company presenting the play handles the various situations in splendid mittees have worked diligently and audience. This afternoon at 3 o'clock Dr. Robert MacGowan, who is pastor of the Bellefield Presbyterian church of Pittsburgh, will give his lecture, "The Creed of the Flag." The series of entertainments will close tomorrow evening.

## THE BERGDOLL INCIDENT.

The scandal growing out of testimony before a Federal Grand jury Philadelphia to the effect that agent of Bergdoll, the fugitive ker, had obtained over $100,000 in gold coin from the Treasury Department at Washington, when banking institutions could not even obtain enough gold coin for Christmas presents last year, is arousing more and more discussion, especially in view of the fact that it is alleged Bergdoll's representative was turned down in his search for gold by subordinates at the department and then went over their heads to a higher authority, who issued an order to give him the coin, with which he has probably departed to a safer locality.

One of the most astounding features of the whole transaction is the fact that he was given gold in exchange not for gold certificates, but for Federal reserve notes, which are not necessarily payable in gold.

The incident ought to make another chapter in the record of amazing solicitude on the part of the present administration for many aliens and impossible slackers throughout the war period and since.

## Crudoleum

**For Polishing High Class Furniture**

You simply must try CRUDOLEUM for polishing furniture. Its touch leaves that rich soft glow that makers of high-class home fixtures take such pains to attain. Step into the finishing room of the piano factory, if you please; if you watch closely you will usually discern the bottle which contains the same old-time polish, "Petroleum," that brightened the homes of many years ago. It has marked the passing of many other polishes. CRUDOLEUM is the higher, cleaner, purer grade of that time-tested, undeluted petroleum.

Nature in its marvelous laboratory, has compounded CRUDOLEUM with exactness, filtered and re-filtered it until clean and clear, then stored it in the chambers of the rocks, from which place man's ingenuity sent it gushing cool and sweet, rich and light in color, bubbling and sparkling into the sunlight, a perfected and finished natural product. Although its beautiful color was admired by many who visited the well, it was the president of the Simpson Drug Co. who saw in it, on account of its exceptional purity, great possibilities as a superior product for drug and chemical uses. Mr. F. J. Johns who is the agent in Charleroi, sell a large bottle for 35c, and is authorized to return your money to you if you are not pleased with CRUDOLEUM. If your druggist does not keep it, send 40c to Wm. M. Simpson Drug Co. Wholesale Druggists, Wilkinsburg Station, Pittsburgh, Pa., and you will receive a half pint bottle by return mail.

# REVEREND MARCUM SENDS MESSAGE OF HOPE TO PHYSICAL SUFFERERS AS WELL AS SPIRITUAL; RECOMMENDS THEY TAKE THE REESE FORMULA R-11

**Minister at Yolyn, W. Va. Praises Reese Formula R-11 Because of the Benefits He Has Received from Its Use; He Advises Everyone To Try It**

Reverend A. A. Marcum, Baptist minister of Yolyn, West Virginia, believes in looking after the physical well being of his people as well as ministering to the spiritual. He has for some time been troubled with kidney disorders which caused the usual severe pains in the back and general run down condition of the system. He bought a bottle of The Reese Formula R-11 in the Paragon Company's store and in the following statement tells of the benefit derived from its use. He heartily recommends it to others.

"My kidneys have been giving me trouble for some time," said Rev. Marcum, "the resulting pains in the back were very severe and my whole body was upset. Seeing The Reese Formula R-11 being advertised in the company store at Yolyn I decided to try it. After taking the FIRST bottle my kidneys stopped hurting and I could attend to my work and feel as good as any man could.

"Reese Formula R-11 is certainly a remedy without a peer and I do not feel that I would be doing my duty to humanity if I did not recommend it after knowing positively the relief it has given me. I therefore most urgently appeal to all sufferers to get a bottle of the Reese Formula R-11 of they suffer from disorders of the stomach, liver or kidneys for its merit is unquestioned."

If you wish further information, write direct to our Medical Advisor, Medical Department, The Reese Formula Co., Huntington, W. Va.

The Reese Formula R-11 has many staunch supporters in Charleroi, who know from personal experience the quick relief to be obtained by its use. Why suffer any longer, go to your druggist or to Hennings' Drug Store.

## CONSTRUCTION MAN HAS NARROW ESCAPE

**Is Almost Killed by Train in Railroad Yards**

N. L. Bick, of 717 Eighth Avenue, Huntington, W. Va., narrowly escaped death in that city a short time ago. Mr Bick while at work was seized by a dizzy spell and forced to go home. Starting across the C. & O. yards, he became unconscious and fell between the tracks where he was found by a passerby and assisted home. A friend recommended that he take The Reese Formula R-11. This he did. He is now feeling fine and tells of the incident as follows:

"I had suffered from dizzy spells caused by stomach, liver and kidneys for years and until I began taking The Reese Formula R-11 nothing seemed to benefit me in the least, although I believe I have taken everything. Not only has the dizziness disappeared but I feel better all over. I eat, sleep and feel as though I had never known a sick day in my life. I most heartily recommend this remedy to everyone suffering as I did and only wish I had known of The Reese Formula R-11 sooner."

If you wish further information, write direct to our Medical Advisor, Medical Department, The Reese Formula Co., Huntington, W. Va.

Don't be skeptical or delay any longer, stop suffering. Get a bottle of The Reese Formula R-11 today from your druggist or from Hennings Drug Store.

In Our Popular Dress Department

Because—"Queen Make" Dresses possess style value.
—They are made of color-fast materials-all pre-shrunk.
—They are generously proportioned, yet are drafted faithfully to size.
—They are fashioned to the form.
—They are most carefully, neatly tailored not just simply sewn together. The seams are finished with the same minute care as a high priced gown. They have ample "wash" hems.
—They come in a most comprehensive assortment of solid colors, plaids and stripes.
---They are tastefully trimmed.
---They are reasonably priced.

Many of the styles are here illustrated---many more are shown in the department.

You will instantly appreciate "Queen Made" Dresses when you see them and carefully examine their many wonderful qualities.

Below we enumerate some of the charming new Spring styles now on sale.

**Notice to The Public.**

This is to notify the public that on Tuesday, July 6th, at 9 o'clock a. m., fast time, the Donora-Webster bridge will be closed to traffic for the purpose of affording an opportunity for the contractor in charge of repairs to lay the concrete approaches at both ends of the bridge. The continuance of traffic would result in damage to the work that would be irreparable. During the time the concrete work is being done the bridge will be closed to all automobile, truck, wagon and vehicle traffic, but will be open to foot passengers.

By order of the
County Commissioners.

1776 For Observance of Independence Day 1920

We will be closed on Monday July 5th

July 4th, fittingly celebrated each year as the date of the official signing of the Declaration of Independence, is symbolic of the true spirit of Americanism.

One hundred forty-four years of industry. initiative and honest achievement have won for America a preeminent position among the great nations of the world. With characteristic American energy and resourcefulness there can be no stopping of the onward sweep of our country.

# PESKY BED BUGS

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in five days of which two-thirds are females. They mature to adult size and are capable of laying in four weeks. How many bedbugs would you have in a year if you left one female or egg unmolested for one year? To rid the pesky bedbug, you can readily see how necessary it is to use a preparation that will kill the eggs as well as the live ones. P. D. Q. has been demonstrated by the leading Hospitals, Hotels and Railroad Companies that the safest and most economical way to stop future generations of bed bugs, roaches, fleas and ants is to use Owl discovery "Pesky Devils Quietus" P. D. Q.

A 33c package of P. D. Q. makes a quart, enough to kill a million bedbugs, roaches, fleas and cooties and at the same time destroy their eggs.

Impossible for them to exist when P. D. Q. is properly used. Free, patent spout in every package to get the pesky devils in the hard-to-get-at-places and save the juice.

Special Hospital and Hotel size $2.50 —makes five gallons of P. D. Q.—your druggist has it or can get it for you, or sent prepaid upon receipt of price by the Owl Chemical Co., Terre Haute, Ind. Success of P. D. Q. has caused imitators; genuine P. D. Q. is never peddled.

## What Does "Kitchen Economy" Mean?

Is it Found in Your Home?

A great many people thinks that "Kitchen Economy" means cooking without waste and they would be partly right —but only partly.

True Economy means making every dollar spent produce its utmost return in value. That's why

# EV-RE-DAY

## Oleomargarine With Butter Quality

is real economy. Churned in whole pasturized milk from Wisconsin's best dairies. It is rich in nourishment, tastes like fresh churned butter and has even higher food value than butter. Every food expert acknowledges this. Try Ev-Re-Day Margarine, the kind that has fresh butter taste and cuts your butter bills in half.

For those who prefer Nut Margarine. Best NUT MARGARINE is free from animal fats and churned by the best sanitary methods known by Wisconsin Butterine Co., Milwaukee. Wis., whose Motto is Cleanliness, Purity, Quality.
